

Skyline Extra 300LP

27cc Glow motor; O.S. 1.60 (low time.... one season) 73” wingspan

Ready to Fly:

includes all servos, battery, Rx (FRSky, Futaba FASST compatible)

also includes:

Additional Airframe (complete)

Gear mount needs repair

one Elevator needs rehinging

Cowl and Canopy intact (with a few “dings”)

Both wings and tail undamaged – like new

- **3 spare Carbon Fiber landing gear** (yes, you will break gear occasionally!)
- **2 additional new props** (You will, for sure, need the 2 x \$15 props)
- **Spare set of wheel pants** (Pants don’t last forever, right?)
- **Wing Bag** (a necessity!)
- even a matching “Stick Plane”

\$500

“You won’t find a more beautifully flying airplane”
